In 1667 John Milton bestowed (some beleaguered students might say 'inflicted') his great masterpiece, Paradise Lost, upon the world. In 1674 the revised second edition was published, where he divided the original ten books into twelve and added the following introductory summaries or "Arguments" for each book at the request of confused early readers.

Paradise Lost: Milton's Arguments

(CBS) Dr. Mehmet Oz just might be the last person on earth people would expect to get a colon polyp. He's physically fit (he left me in the dust the last time we ran together), he eats a healthy ...
