Children and Youth Services Review | ScienceDirect.com

Abstract. Young people with mental illness face many barriers in accessing care and often have different needs to those of adult consumers. Young people's participation in mental health services is one way of addressing quality and access issues, through receiving feedback and implementing youth-driven and youth-friendly strategies.

Youth work is community support activity aimed at older children and adolescents. Depending upon the culture and the community, different services and institutions may exist for this purpose. In the United Kingdom youth work is the process of creating an environment where young people can engage in informal educational activities. Different varieties of youth work include centre-based work ...

Youth work - Wikipedia

Youth unemployment is the unemployment of young people, defined by the United Nations as 15–24 years old. An unemployed person is defined as someone who does not have a job but is actively seeking work. In order to qualify as unemployed for official and statistical measurement, the individual must be without employment, willing and able to work, of the officially designated 'working age' and ...

Behavioral health problems are predictors of youth running away from home or becoming homeless. 32 Higher risks of exposure to violence or trauma can contribute to behavioral health problems among homeless children and youth. Unaccompanied youth are more likely to be depressed and to have mental health or substance abuse problems compared with housed youth.
